Dunlop Heywood provides Tilley Properties with the following services:

- Rent collection
- Maintenance rent budgeting and expenditure management
- Financial management and statutory compliance
- Procurement and contractor management
- New lettings
- Rent reviews and lease renewals
- Lease compliance
- Insurance management
- Rating appeals
- Empty property business rates mitigation

Key achievements are:

- Reducing the vacancy rate across the portfolio from a high of 35% during 2009 to a typical operational range of 0-5%.
- Improving tenant mix at estates through adoption of custodian role, continually monitoring covenant strength and ensuring that incoming tenants are a 'good-fit'.
- Increasing total rental income across estates by 53% and significantly extending WAULT across portfolio through new lettings, lease renewals and rent reviews.
- Improving the physical realm of the estates through thoughtful and beneficial improvements and maintenance funded through the service charge.
- Significant cost savings generated through competitive tendering and empty property business rates mitigation.
